Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Gilda's Club Madison Wisconsin, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

GILDA'S CLUB MADISON WISCONSIN, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Gilda's Club Madison Wisconsin, Inc. (Club) is a free, non-profit support community for anyone touched by any kind of cancer as well as their families and friends. It's a warm and welcoming, non-residential clubhouse in the Madison, Wisconsin area where men, women, and children come together to build social and emotional support as a supplement to medical care. The primary source of the Club's support is contributions from the public.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Club is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by the Club in perpetuity.

Promises to Give

Unconditional promises to give are recognized as support or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Uncollectible promises are written off after management makes reasonable collection efforts and determines the promises will not be collected.

Property and Equipment

Purchases of property and equipment in excess of \$3,000 are capitalized at cost. Donations of property and equipment are recorded as support at their estimated fair value on the date of donation. Property and equipment is depreciated using the straight-line method over the estimated useful lives of the assets. As of July 1, 2014, management has changed the estimated useful life of the clubhouse from 27.5 years to 39 years.

Contributions

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

The costs of providing the Club's programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

The following program services and supporting activities are included in the accompanying financial statements:

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could differ from those estimates.

The Club is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Club qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).
